5. [] LIAISON Julie Romero, Secretary within the House Permanent Select Committee on Intelligence, called asking for a listing of all Directors of Central Intelligence Agency and their dates of office. I obtained a copy of the listing from the Office of Public Affairs and read it to her.

6. [] LIAISON On instructions from [] Acting Legislative Counsel, I called John Roberts, General Counsel for the Senate Armed Services Subcommittee on Intelligence, chaired by Senator Harry Byrd (D., Va.). I told Mr. Roberts that [] had discussed the Subcommittee's interest in holding hearings and offered my services (along with those of [] NFAC/CSS) subsequent to the Committee's biweekly briefing we would be attending the following morning. Mr. Roberts agreed to meet us sometime prior to noon on 28 March and clearly appreciated the call.

7. [] LIAISON Mike O'Neil, Chief Counsel, House Permanent Select Committee on Intelligence, called with two questions: (a) are we currently engaged in re-drafting the Agency entry-on-duty secrecy agreement. After checking with [] DC/Office of Security, I told him that we were not, that the secrecy agreement had withstood at least one court case and that it was considered adequate, and (b) what is the DCI position on budget disclosure? Mike had received a new version from an unnamed source and wanted to be sure about it. After checking with [] of our office, I told Mike that the DCI's position, simply stated, is that the Executive will not object if Congress determines that it is in the national interest to publish one overall figure for the Intelligence Community, but would draw the line there: e.g., the Executive would object to providing the individual budget figure for any of the individual Intelligence Community member agencies.

8. [] LIAISON Sent by courier to Richard Giza, House Permanent Select Committee on Intelligence staff, a four page paper explaining the CRAFT and COMET systems.

9. [] LIAISON Sent by courier to Pauline Baker, Senate Foreign Relations Committee staff, copies of charts used during the 10 February 1978 hearing on Foreign Military Presence in Africa.

13. [] LIAISON I called Hans Binnendijk, 25X1 on the staff of the Senate Foreign Relations Subcommittee on Foreign Assistance, in response to his request for information on South Korean [] 25X1 including information on certain technology provided the South Koreans by [] I said we could brief them on the South Korean [] but we have no responsibility for collecting information on U.S. corporate activities.

I also asked him if he could provide us a copy of his report on the Middle East air balance since we had had some role in giving him background information for the report. He said that the report had been distributed and that Brian Atwood, State Department, should be giving us a copy for our comments. He said, however, that if we could not get a copy from Atwood he would give us one.

14. [] LIAISON In response to a request from House Minority Leader John J. Rhodes (R., Ariz.) through the Office of Security, I arranged for a technical sweep of Mr. Rhodes' office by the Capitol Police.
